Bob BARLIN

Independent

My principal place of residence is in the Southern District Health Board - Otago Constituency area. I am also standing for Mayor and Councillor, Dunedin City Council.

Retired NZ Army Officer, United Nations and Federation of Red Cross International

Dunedin people deserve not only their professional Medical Clinicians, but the awareness that the SDHB is acting on their behalf in cooperation with these Clinicians and Government. Supported Medical Clinicians in a number of disaster areas around the world in Logistics, Operations and Management roles to ensure that behind the scenes support activities, ran smoothly, to allow Clinicians to carry out their primary medical activities to meet the organizational targets within budgetary constraints.

Conflict of Interest Statement

I have the following current conflicts of interest with the Southern District Health Board (SDHB):

a) Assisting as a community health council advisor for the design of the new Dunedin Hospital build.

To the best of my knowledge and belief, I have no other conflicts of interest with the SDHB at the date of my notice of consent to being nominated as a candidate for membership of the board of the SDHB.

I do not believe that any conflicts of interest are likely to arise in future, other than the continuation of the conflicts of interest stated above.
