

Southern District Health Board - Otago Constituency

Electing 4 Board Members

Dave CULL

Independent

My principal place of residence is in the Southern District Health Board - Otago Constituency area.

Kia ora

I'm a proud Dunedin resident just finishing nine years as Dunedin's Mayor. During that time the city has gone from a divided economic struggler,

to a growing, buoyant, internationally confident and more inclusive community.

Otago healthcare also faces timely opportunities. A new hospital to provide services equitably and efficiently to all our communities. The opportunity to lift and enhance access to primary level preventative care. It's also time for our whole community to confront the root causes of health issues, like inadequate housing. We can only do that by collaboration between the SDHB, local Councils, primary health providers, government agencies, educators and social service organizations.

I have a record of forging partnerships to get the best community outcomes and address the big challenges. I'm offering my experience and ability to bring people together, to the board of the SDHB.

Conflict of Interest Statement

I have the following conflicts of interest with the Southern District Health Board (SDHB).

a) My daughter-in-law is currently employed by the SDHB as a nurse.

b) I am chairperson of the Cosy Homes Trust which has engaged with the SDHB on the Public and Community Housing implications of housing quality.

To the best of my knowledge and belief, I have no other conflicts of interest with the SDHB at the date of my notice of consent to being nominated as a candidate for membership of the board of the SDHB.

I do not believe that any conflicts of interest are likely to arise in future, other than continuation of the conflicts of interest stated above.
