### **Kaye CROWTHER**

Independent

My principal place of residence is in the Southern District Health Board - Southland Constituency area.

I believe all Southlanders, are entitled to access the best health care and services in a timely manner.

Vote for me to ensure I can continue to advocate for you and your family.

As a past board member I have been a strong voice for the community and have been able to put my 40 years experience in promoting health services to good work.

As a mother and grandmother I understand first hand the needs of families in our region and as a former New Zealand President for the Plunket, and a Trustee for No 10, Youth One Stop Shop, I have developed skills as a leader, governor and advocate.

During my previous term on the DHB I served on the Iwi Governance Committee, Hospital Advisory Committee, Community and Public Health and Disability Advisory Committee, Complaints Review Committee and Reportable Events Committee.

#### *Conflict of Interest Statement*

To the best of my knowledge and belief, I have no conflicts of interests with the Southern District Health Board (SDHB) at the date of my notice of consent to being nominated as a candidate for membership of the board of the SDHB other than that:

(a) I am a Life Member of the Plunket Trust having served as a volunteer in the Southland Area which has, and, may in the future have contractual arrangements with the SDHB.

(b) I am an employee of Findex NZ formerly Crowe Horwath which performs professional services for the SDHB.

(c) I am a Trustee for No 10 (Youth One Stop Shop) in Invercargill which has, and may in the future, have contractual arrangements with the SDHB.

I do not believe that any conflicts of interest are likely to arise in the future other than the continuation of the conflicts of interest stated above.
