Dear [REDACTED]

Re: Official Information Act Request

I refer to your Official Information Act request received 8 June 2020 in which you specifically requested the following:

Based on the Official Information Act, please provide me with a table with the number of people working in COVID-19 contact tracing for each day from 1 December 2019 to 31 May 2020.

Please see the table as appended below that shows the number of Southern DHB staff contact tracing for Covid-19 cases during this time period. Contact tracing started on 16 March 2020 and there were no contacts that needed following up after 15 May 2020.

You have the right to seek an investigation and review of our decision by the Ombudsman. The Ombudsman's Office can be contacted on 0800 802 602 or on-line at <http://www.ombudsman.parliament.nz/>.

Yours sincerely

Chris Fleming
Chief Executive Officer
