PURPOSE OF ROLE

The Charge Nurse Manager/Charge Midwife Manager is responsible for the providing clinical leadership and professional leadership including, quality performance, human resource management, quality and risk management, and quality, clinical pathway development and other service delivery improvements within the ward/unit/ service.

Working in partnership with clinical and other staff, the Charge Nurse Manager/Charge Midwife Manager will contribute to strategic and professional management in a way that is consistent with the organisation's vision and values.

Main Objectives:

The objectives of the Charge Nurse Manager/Charge Midwife Manager are to achieve the delivery of clinical and operational services to contracted specifications to the relevant wards/unit/ service by:

- Providing clinical leadership, coordination and management to ensure the safe provision of patient care, whilst acting as a positive role model.
- Fostering a culture of clinical excellence, innovation and strategic thinking.
- Facilitating clinical practice development within the multidisciplinary team.
- Ensuring human resource management activities are undertaken appropriately for all staff including recruitment, professional development management and performance management where indicated.
- Supporting the philosophy and practice of a service wide approach to service delivery and operational processes whilst being cognisant of the organisational context.
- Participates in service development planning.
- Ensuring service delivery is provided within approved activity plans and financial budgets.
- Preparing performance reports on activity and resource utilisation compared to the activity plan and budget, including description of risk mitigating strategies on issues that threaten to impact on clinical safety, financial and operational performance of the service.
- Working with Locality Managers and Programme Manager and reporting professionally to the Director of Nursing
- Ensuring internal service structures, practices and controls to monitor and manage resource utilisation, risk, quality and compliance are actively in place.
- Participating in focus groups/projects that advance issues and strategies for the organisation.
- Proactively identify development goals for self in order to meet the position requirements.
- Lead the Clinical Immunisation Co-ordination for the COVID-19 programme

This role has no operational responsibility.

Competencies

The following competencies apply to this position. The employee will be assessed against these as part of their annual performance and development review.

Organisational Competencies		
Customer Focus	Is dedicated to meeting the expectations and requirements of internal and external customers; gets first hand customer information and uses it for improvements in products and services; acts with customers in mind; establishes and maintains effective relationships with customers and gains their trust and respect	
Integrity and Trust	Is widely trusted; is seen as a direct, truthful individual; can present the unvarnished truth in an appropriate and helpful manner; keeps confidences; admits mistakes; doesn't misrepresent him/herself for personal gain.	
Drive For Results	Can be counted on to exceed goals successfully; Is constantly and consistently one of the top performers; very bottom line oriented; steadfastly pushes self and others for results.	
Management Competencies		
Decision Quality	Makes good decisions (without considering how much time it takes) based upon a mixture of analysis, wisdom, experience, and judgment; most of his/her solutions and suggestions turn out to be correct and accurate when judged over time; sought out by others for advice and solutions.	

Managing & Measuring Work	Clearly assigns responsibility for tasks and decisions; sets clear objectives and measures; monitors process, progress, and results; designs feedback loops into work.
Organisational Agility	Knowledgeable about how organizations work; knows how to get things done both through formal channels and the informal network; understands the origin and reasoning behind key policies, practices, and procedures; understands the cultures of organizations.
Interpersonal Savvy	Relates well to all kinds of people – up, down, and sideways, inside and outside the organisation; builds appropriate rapport; builds constructive and effective relationships; uses diplomacy and tact; can defuse even high-tension situations comfortably.
Motivating Others	Creates a climate in which people want to do their best; can motivate many kinds of direct reports and team or project members; can assess each person and get the best out of him/her; pushes tasks and decisions down; empowers others; invites input from each person and shares ownership and visibility; makes each individual feel his/her work is important; is someone people like working for and with.
