

Key messages CHC December 2020

- The CHC Annual Report was officially presented at DSAC in December 2020. This documented all CHC member and CHC Advisor engagement 2019/2020, as well learnings from the Symposium held in October 2019, from both consumer and staff perspective.
- A recommendation from CHC for a Pacific Strategy was presented to CEO of both SDHB and WellSouth.
- CHC raised further concerns about ED in Southland, and the lack of after-hours primary care provision in the Southland region.
- Work continues on gathering Patient Stories from community members to be used for staff awareness and education.
- CHC members were involved in the judging of the Staff Excellence Awards, and attended the Awards Evening.
