Our Vision

Better Health, Better Lives, Whānau Ora

We work in partnership with people and communities to achieve their optimum health and wellbeing
We seek excellence through a culture of learning, enquiry, service and caring

Our Shared Values and Behaviours

Kind <i>Manaakitanga</i>	Open <i>Pono</i>	Positive <i>Whaiwhakaaro</i>	Community <i>Whanaungatanga</i>
<p>Looking after our people: We respect and support each other. Our hospitality and kindness foster better care.</p>	<p>Being sincere: We listen, hear and communicate openly and honestly. We treat people how they would like to be treated.</p>	<p>Best action: We are thoughtful, bring a positive attitude and are always looking to do things better.</p>	<p>As family: We are genuine, nurture and maintain relationships to promote and build on all the strengths in our community.</p>

Our statutory purpose

To improve, promote and protect the health of our population

- Promote the integration of health services across primary and secondary care services
- Seek the optimum arrangement for the most effective and efficient delivery of health services
- Promote effective care or support for those in need of personal health or disability support services
- Promote the inclusion and participation in society and the independence of people with disabilities
- Reduce health disparities by improving health outcomes for Māori and other population groups
- Foster community participation in health improvement and in planning for the provision of and changes to the provision of services
- Uphold the ethical and quality standards expected of use and to exhibit a sense of social and environmental responsibility

PURPOSE OF ROLE
You will assist Allied Health professionals and other staff in the provision of care for inpatient, outpatient and community based patients/clients of Southern District Health Board. You will provide support to Allied Health professionals to implement person centred interprofessional plans of clinical care. This is where multiple health workers from different professional backgrounds work together with patients, families, caregivers and communities to deliver the highest quality of care.

Competencies

The following competencies apply to this position. The employee will be assessed against these as part of their annual performance and development review.

Organisational Competencies	
Customer Focus	Is dedicated to meeting the expectations and requirements of internal and external customers; gets first hand customer information and uses it for improvements in products and services; acts with customers in mind; establishes and maintains effective relationships with customers and gains their trust and respect
Integrity and Trust	Is widely trusted; is seen as a direct, truthful individual; can present the unvarnished truth in an appropriate and helpful manner; keeps confidences; admits mistakes; doesn't misrepresent him/herself for personal gain.
Drive For Results	Can be counted on to exceed goals successfully; Is constantly and consistently one of the top performers; very bottom line oriented; steadfastly pushes self and others for results.
Role Specific Competencies	
Listening	Practices attentive and active listening; has the patience to hear people out; can accurately restate the opinions of others even when he/she disagrees.
Priority Setting	Spends his/her time and the time of others on what's important; quickly zeros in on the critical few and puts the trivial many aside; can quickly sense what would help or hinder accomplishing a goal; eliminates roadblocks; creates focus.
Motivating Others	Creates a climate in which people want to do their best; can motivate many kinds of people; can assess each person's 'hot button' and use it to get the best out of him/her; empowers others; invites input from each person and shares ownership and visibility; makes each individual feel that their work is important; is someone people like working with.
