Our Vision

Better Health, Better Lives, Whānau Ora

We work in partnership with people and communities to achieve their optimum health and wellbeing
We seek excellence through a culture of learning, enquiry, service and caring

Our Shared Values and Behaviours

Kind <i>Manaakitanga</i>	Open <i>Pono</i>	Positive <i>Whaiwhakaaro</i>	Community <i>Whanaungatanga</i>
Looking after our people: We respect and support each other. Our hospitality and kindness foster better care.	Being sincere: We listen, hear and communicate openly and honestly. We treat people how they would like to be treated.	Best action: We are thoughtful, bring a positive attitude and are always looking to do things better.	As family: We are genuine, nurture and maintain relationships to promote and build on all the strengths in our community.

Our statutory purpose

To improve, promote and protect the health of our population

- Promote the integration of health services across primary and secondary care services
- Seek the optimum arrangement for the most effective and efficient delivery of health services
- Promote effective care or support for those in need of personal health or disability support services
- Promote the inclusion and participation in society and the independence of people with disabilities
- Reduce health disparities by improving health outcomes for Māori and other population groups
- Foster community participation in health improvement and in planning for the provision of and changes to the provision of services
- Uphold the ethical and quality standards expected of use and to exhibit a sense of social and environmental responsibility

PURPOSE OF ROLE

Allied Health, Scientific and Technical professionals work in health care teams providing a range of diagnostic, technical, therapeutic and direct patient care and support services that are critical to the other health professionals they work with and the communities they serve.

This role will work collaboratively with all health professionals as well as the wider multi-disciplinary team throughout the SDHB in a way that is consistent with the Organisation's vision and values. This way of working will ultimately benefit all our patients and communities.

Competencies

The following competencies apply to this position. The employee will be assessed against these as part of their annual performance and development review.

Treaty of Waitangi	
<p>The principles of Te Tiriti o Waitangi, as articulated by the courts and the Waitangi Tribunal will guide the Southern DHB response to Māori health improvement and equity. These contemporary principles include:</p> <ul style="list-style-type: none"> <i>Tino rangatiratanga</i>: Providing for Māori self-determination and mana motuhake in the design, delivery and monitoring of health and disability services. <i>Equity</i>: Being committed to achieving equitable health outcomes for Māori. <i>Active protection</i>: Acting to the fullest extent practicable to achieve equitable health outcomes for Māori. This includes ensuring that the Crown, its agents and its Treaty partner under Te Tiriti are well informed on the extent, and nature, of both Māori health outcomes and efforts to achieve Māori health equity. <i>Options</i>: Providing for and properly resourcing kaupapa Māori health and disability services. Furthermore, the Crown is obliged to ensure that all health and disability services are provided in a culturally appropriate way that 	<ul style="list-style-type: none"> You will be able to demonstrate an understanding of Te Tiriti o Waitangi, Māori Indigenous rights and current issues in relation to health and health equity ie: Whakamaua: Māori Health Action Plan 2020-2025. You will contribute to responding to the DHBs Te Tiriti o Waitangi commitment to deliver effective and equitable healthcare with Māori patients and their whānau. You will have the ability to incorporate Māori models of health, patient and whānau-centred models of care, and mātauranga Māori. You will have insights into your own cultural awareness and an understanding of how your social-cultural influences inform biases that impact on your interactions with patients, whānau, and colleagues. <p>Recognising that there is an inherent power imbalance in-patient relationship and ensuring that this is not exacerbated by overlaying your own cultural values and practices on patients.</p>

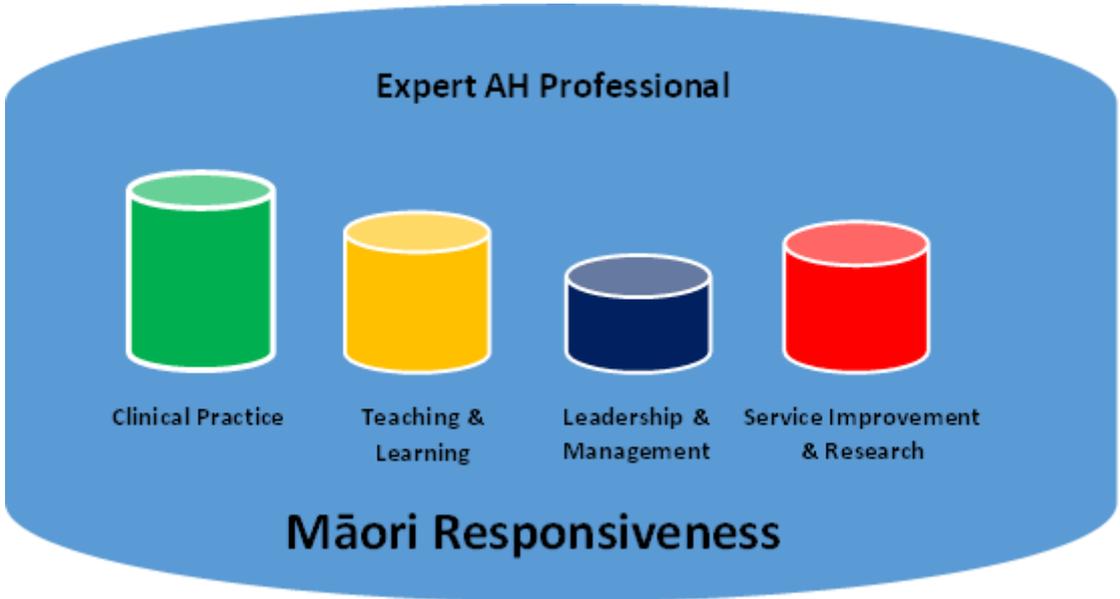

recognises and supports the expression of hauora Māori models of care.

Partnership: Working in partnership with Māori in the governance, design, delivery and monitoring of health and disability services – Māori must be co-designers, with the Crown, of the primary health system for Māori.

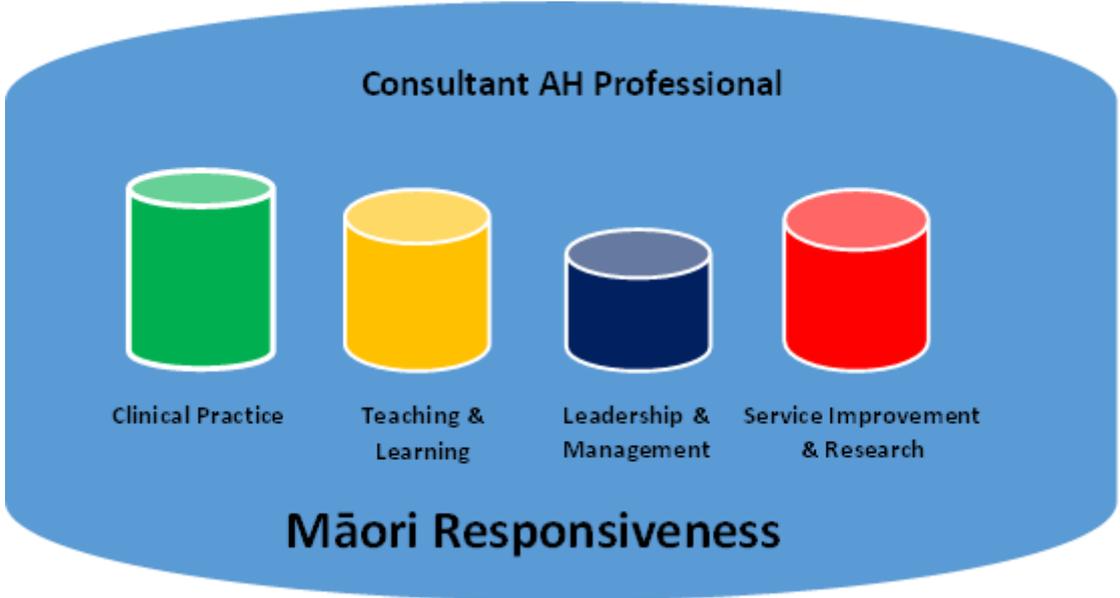

Note: the above example measures are provided as a guide only. The precise performance measures for this position will require further discussion between the job holder and manager.
