Position Title:	Enrolled Nurse (EN)
Service & Directorate:	Various
Location:	Dunedin/Invercargill
Reports to:	Line Manager
DHB Delegation Level:	N/A
Number of direct reports:	Nil
Date:	October 2022

Our Vision

Better Health, Better Lives, Whānau Ora

We work in partnership with people and communities to achieve their optimum health and wellbeing

We seek excellence through a culture of learning, enquiry, service and caring

Our Shared Values and Behaviours

Kind <i>Manaakitanga</i>	Open <i>Pono</i>	Positive <i>Whaiwhakaaro</i>	Community <i>Whanaungatanga</i>
Looking after our people: We respect and support each other. Our hospitality and kindness foster better care.	Being sincere: We listen, hear and communicate openly and honestly. We treat people how they would like to be treated.	Best action: We are thoughtful, bring a positive attitude and are always looking to do things better.	As family: We are genuine, nurture and maintain relationships to promote and build on all the strengths in our community.

Our statutory purpose

To improve, promote and protect the health of our population

Promote the integration of health services across primary and secondary care services

Seek the optimum arrangement for the most effective and efficient delivery of health services

Promote effective care or support for those in need of personal health or disability support services

Promote the inclusion and participation in society and the independence of people with disabilities

Reduce health disparities by improving health outcomes for Māori and other population groups

Foster community participation in health improvement and in planning for the provision of and

changes to the provision of services

Uphold the ethical and quality standards expected of use and to exhibit a sense of social and

environmental responsibility

PURPOSE OF ROLE
<p>Enrolled nurses practice under the direction and delegation of a registered nurse or nurse practitioner to deliver nursing care and health education across the life span to health consumers in community, residential or hospital settings.</p>
<p>Enrolled nurses contribute to nursing assessments, care planning, implementation and evaluation of care for health consumers and/or families/whanau. The registered nurse maintains overall responsibility for the plan of care.</p>
<p>Enrolled nurses assist health consumers with the activities of daily living, observe changes in health consumers' conditions and report these to the registered nurse, administer medicines and undertake other nursing care responsibilities appropriate to their assessed competence.</p>
<p>In acute settings, enrolled nurses must work in a team with a registered nurse who is responsible for directing and delegating nursing interventions.</p>
<p>Enrolled nurses are accountable for their nursing actions and practice competently in accordance with legislation, to their level of knowledge and experience. They work in partnership with health consumers, families/whanau and multidisciplinary teams.</p>

Competencies

The following competencies apply to this position. The employee will be assessed against these as part of their annual performance and development review.

Organisational Competencies	
Customer Focus	Is dedicated to meeting the expectations and requirements of internal and external customers; gets first hand customer information and uses it for improvements in products and services; acts with customers in mind; establishes and maintains effective relationships with customers and gains their trust and respect
Integrity and Trust	Is widely trusted; is seen as a direct, truthful individual; can present the unvarnished truth in an appropriate and helpful manner; keeps confidences; admits mistakes; doesn't misrepresent him/herself for personal gain.
Drive For Results	Can be counted on to exceed goals successfully; Is constantly and consistently one of the top performers; very bottom line oriented; steadfastly pushes self and others for results.
Role Specific Competencies	
Listening	Practices attentive and active listening; has the patience to hear people out; can accurately restate the opinions of others even when he/she disagrees.
Informing	Provides the information people need to know to do their jobs and to feel good about being a member of the team, unit, and/or the organisation; provides individuals information so that they can make accurate decisions; is timely with information.
Process Management	Good at figuring out the processes necessary to get things done; knows how to organise people and activities; understands how to separate and combine tasks into efficient work flow; knows what to measure and how to measure it; can see opportunities for synergy and integration where others can't; can simplify complex processes; gets more out of fewer resources.
