

Vaccinator Bridging Course - online and face to face

This Vaccinator Foundation Course is specifically for Provisionally Authorised Vaccinators who wish to become fully authorised vaccinators or pharmacist vaccinators. It builds on Provisional Vaccinator knowledge and skills, bridging the gap between Provisional and full authorisation.

Includes self guided study online (10-12 hours) followed by practical training (4 hour)
*Eligibility criteria - this course is available to nurses, pharmacists, midwives & prescribers

Tuesday 4 April 2023
9am - 1pm
Edgar Centre
116 Portsmouth Drive
Dunedin
