Location:	Dunedin
Reports to:	Charge Nurse Manager - Perioperative
DHB Delegation Level:	N/A
Number of direct reports:	N/A
Date:	July 2023

Our Vision

Better Health, Better Lives, Whānau Ora

We work in partnership with people and communities to achieve their optimum health and wellbeing
We seek excellence through a culture of learning, enquiry, service and caring

Our Shared Values and Behaviours

Kind <i>Manaakitanga</i>	Open <i>Pono</i>	Positive <i>Whaiwhakaaro</i>	Community <i>Whanaungatanga</i>
Looking after our people: We respect and support each other. Our hospitality and kindness foster better care.	Being sincere: We listen, hear and communicate openly and honestly. We treat people how they would like to be treated.	Best action: We are thoughtful, bring a positive attitude and are always looking to do things better.	As family: We are genuine, nurture and maintain relationships to promote and build on all the strengths in our community.

Our statutory purpose

To improve, promote and protect the health of our population

- Promote the integration of health services across primary and secondary care services
- Seek the optimum arrangement for the most effective and efficient delivery of health services
- Promote effective care or support for those in need of personal health or disability support services
- Promote the inclusion and participation in society and the independence of people with disabilities
- Reduce health disparities by improving health outcomes for Māori and other population groups
- Foster community participation in health improvement and in planning for the provision of and changes to the provision of services
- Uphold the ethical and quality standards expected of use and to exhibit a sense of social and environmental responsibility

PURPOSE OF ROLE

The purpose of the Clinical Nurse Coordinator, Day Surgery Unit role is to assist and work collaboratively with the Charge Nurse Manager, Perioperative and Associate Charge Nurse Manager, Day Surgery Unit in the establishment and promotion of clinical nursing professional standards. The Clinical Coordinator Perioperative Unit will coordinate the DSU Operating Theatres and PACU to provide efficient, effective and safe services, within the available resources.

The Clinical Coordinator is responsible for coordination of clinical service delivery, clinical leadership and direction to staff in the unit. Working in partnership with other staff, the Clinical Coordinator is the resource and support person for the designated area to ensure the provision of safe patient care.

The role ensures effective day to day coordination across shifts and management within the area, working collaboratively with the CNM Perioperative & ACNM Day Surgery Unit. The role is responsible for promoting excellence in clinical practice and ensuring provision of high quality nursing care.

This position does not encompass budget responsibility, but has delegation of authority for management of staff within the unit on a shift-by-shift basis.

Competencies

The following competencies apply to this position. The employee will be assessed against these as part of their annual performance and development review.

Organisational Competencies

Customer Focus	Is dedicated to meeting the expectations and requirements of internal and external customers; gets first hand customer information and uses it for improvements in products and services; acts with customers in mind; establishes and maintains effective relationships with customers and gains their trust and respect
Integrity and Trust	Is widely trusted; is seen as a direct, truthful individual; can present the unvarnished truth in an appropriate and helpful manner; keeps confidences; admits mistakes; doesn't misrepresent him/herself for personal gain.
Drive For Results	Can be counted on to exceed goals successfully; Is constantly and consistently one of the top performers; very bottom line oriented; steadfastly pushes self and others for results.

Role Specific Competencies

Priority Setting	Spends his/her time and the time of others on what's important; quickly zeros in on the critical few and puts the trivial many aside; can quickly sense what will help or hinder accomplishing a goal; eliminates roadblocks, creates focus.
Managing and Measuring Work	Clearly assigns responsibility for tasks and decisions; sets clear objectives and measures; monitors process, progress, and results; designs feedback loops into work.
Interpersonal Savvy	Relates well to all kinds of people - up, down, and sideways, inside and outside the organization; builds appropriate rapport; builds constructive and effective relationships; uses diplomacy and tact; can defuse even high-tension situations comfortably.
