Falls Prevention and Strength and Balance Classes (Dunedin)

Classes

Approved community strength and balance exercise classes.

Details of local classes. www.livestonger.org.nz
www.ageconcernotago.com/services

Steady As You Go

Is an evaluated physiotherapy-based falls prevention programme involving seated, standing and walking exercises that is beneficial for all.

Aligned to Go (A2Go)

Aligned to Go is a dance-based fall prevention programme with seated, standing and walking movements that is faster, more energetic and slightly longer. It is more suitable for slightly more able people.

Tai Chi

Tai Chi is usually standing and walking only although some classes may sometimes be seated for some of the time. It involves more coordination of arms and legs and is very suitable for fall prevention.

All the classes engender a social connectiveness that is supportive and friendly, assisting to avoid loneliness and depression.

Prospective participants can phone 03 4793052 to find out more and whether there is space in the class. Cost are about \$3/session and membership of Age Concern Otago @\$25 per year is encouraged and highly appreciated.

School of Physiotherapy Clinics (Dunedin)

Includes balance, dizziness, and vertigo, sprains and strains, back and neck problems, arthritis, post-operative and rehabilitation clinics.
